IRISH HISTORICAL
STATISTICS
POPULATION 1821-1971

edited by W.E. Vaughan and A.J. Fitzpatrick
This book provides statistics from the first Irish census of 1821-1971, with the overall totals broken down under counties, provinces and towns. The subjects covered include ages, births, marriages, deaths and emigration. It is the second in a series of ancillary publications supplementing 'A New History of Ireland', the first of which was a bibliography of medieval Ireland, c. 1170-1495.

In this podcast, Laura McAtackney aims to re-focus our attention away from the personal narratives of oral testimonies as well as the documents of government archives in terms of how we understand the Northern Ireland Troubles and its continuing presence.
Heritage Podcast: 14 Henrietta Street – the making of a museum

Charles Duggan discusses...From splendid Georgian beginnings to squalid tenement dwellings, the 14 Henrietta Street museum seeks to interpret and exhibit Dublin’s rich and chequered social history through the stories and shifting fortunes of its residents.
